	:	CIFAL Flanders

Training for the VCDO coordinators

- Understand the background of the Pact for the Future.
- Gain insights on the structure of the Pact for The Future.
- Identify similarities with the SDGs

and new themes in the Pact. • Develop action plan for implementing new actions. • Reflect on current challenges in the world and link this to future actions.

• Introduction to the Pact for the Future. • In depth, guided reading of the Pact for the Future text. • Interactive discussion about the practical implementation of new actions. • Debriefing about the impact of the Pact.

Action Learning Methodology

VCDO coordinators of Voka
